

We've ended another week of enriched learning with an amazing performance from Year 2 who have shared their learning with us through their virtual assembly. It is on our website for everyone to see.

Can I just remind you to ensure that the children have their PE kit in school with them every week, as we are now changing for PE.

Although COVID restrictions are slowly lifting and we are gradually returning to some form of normality, please can I politely ask that you continue to wear facemasks on the playground at drop off and pick up times. As we gradually ease up on restrictions, we will communicate any changes with you.

Next week, we're looking forward to our class photos. You should also have received a sponsor form for the Great Clapham Run, which is our next HSA event, taking place on Friday 14th May.

Enjoy the Bank Holiday weekend –let's hope for some fine weather!

DATES FOR YOUR DIARY

Wednesday 5th May Class Photos

Friday 7th May Year 5 assembly (virtual)

Friday 14th May Great Clapham Run

Friday 21st May Year 4 assembly (virtual)

Friday 28th May Break the Rules Day!

Friday 10th May Ricky's Dance

Friday 2nd July Year 1 assembly (parents possibly invited into school)

Thursday 1st July Sports Day

Friday 9th July Summer Disco

Wednesday 21st July Break up

New History Topics

This week, years 1 to 6 have explored their new history topics! Each year had a fun launch day to learn a bit about their new topic.

Years 1 & 2 are now learning about William Shakespeare. To launch their topic they did a scavenger hunt to find facts about William Shakespeare. They also created portraits of William Shakespeare.

Year 3 & 4 are now learning about World War 1 (WW1). They had lots of exciting activities, including turning off the lights pretending they were in the trenches, even adding gunshot sounds!

Finally, year 5 & 6 launched their topic of Ancient Greece by going in the learning zone and looking at the time line and also learning about the empire of Alexander the Great! By CTCN reporter Daisy

The Donation Bucket

There is a small red bucket, in the playground at drop off and pick up, one for each class, that children can drop in any loose change. All the coins are going to be used to cover a picture of our school mascot, CARL, before going to the HSA. The HSA fund items such as the school's playground equipment, and activities like the Ricky's Dance, art workshops and Free-style Football.

If you could possibly send some coins to school with your child, that would be great, even if they are only 1p or 2p coins!

Sporting Activities in Mill Gardens

Last week, Year 5 and 6 went to Mill Gardens to test their cricket and rounders skills. Year 5 did cricket, where they focused on catching skills using a racket to hit the ball up into the air and then catching it. Year 6, on the other hand, had a rounders-based session. The first game that they did was legends and losers, which is where someone throws the ball at you and if you catch it, you move up towards the legends, but if you drop it, you go back to the very start and you become a loser. After Year 6 had done the legends and losers game, they went into a game of rounders, where there was miss-fielding, great batting, and everything you want to see in a rounders game!

Rushmore Park

We've had a request from a local resident that if we visit Rushmore Park after school, we are mindful of putting any litter in the bin and that we remember our belongings when we leave. Please leave the park as we would like to find it. Thank you.

New Recycling Bins

There are new recycling plastic bins in our small hall and main hall. We have installed these, so when you have a pack lunch you can put any unwanted plastic in the recycling bin. The new bins are bright and eye catching and have a very funny cat face! Remember, don't put any plastic in the black bins—we all need to do our bit to help save the planet and this is an easy way!
