

I have to share with you how superb all our Year 2 to Year 6 children were at sports morning at Edmonscote yesterday. It was such a shame that we couldn't allow parents to watch, but we are so proud we found a way to give the children this fantastic experience; please have a look at our twitter feed for photos and videos.

Since we've returned after half term, we have managed to provide 3 sleepovers for 90 children in total, Year 6 have enjoyed a four day adventure programme, we've seen 3 spectacular class assemblies, covered Clapham Carl in over £200 of loose change, won the area gymnastic competition, achieved the EAL GOLD Mark, won the Youth Sports Trust competition for the best TikTok dance video in national sport week and we were GOLD skipping award winners! This is an incredible achievement for such a small school—a huge thank you to our staff team.

We are now looking forward to our exciting end of year events. Although we have to be creative in our approach for the second year running due to the restrictions, we are still passionate about making them fun and innovative for the children.

You may be aware that we are currently seeing a sharp rise in COVID cases in Leamington and many local primary schools have had to isolate bubbles/year groups. We have a number of children and staff isolating due to them being close contacts with others with COVID. We are remaining vigilant in our bubbles and continue to ensure all our measures are in place. Thank you for continuing to support this.

Please take the time to enjoy the Year 1 class assembly using the link below: <https://youtu.be/LJrOsOFNiN4>

DATES FOR YOUR DIARY

- Wednesday 21st July, 9.15am** Year 6 Oscars & Leaving Assembly
- Wednesday 21st July** Break up
- Monday 6th September** Back to School

The X-periment Factor

Year 3 created a spectacular science show for their class assembly. Two of the children dressed up in suits to be TV presenters and three judges ranked the different scientists. There was a lovely scene at the end talking about the hard times in lockdown.

"I loved it because it was so funny!" said Elisa in Year 2.

"What I thought was amazing was that the whole assembly was filmed like a movie, sound effects and everything!" Quote from Miss Sutton.

Arts Award

We're delighted to announce that Year 1 have achieved the Arts Award at Discovery level and Year 5 at Explore level. A huge thank you must go to Ms Rooney for her inspiring art teaching and to Mrs Clarke for all her hard work on the coordination and submission of this project.

Fabulous Four-Day Adventure

Year 6 have had a fabulous four-day adventure! They went to Ackers Adventure for dry skiing, climbing and bushcraft activities. They slept over at school that night and then travelled to Burton Dassett hills for a day of team building, hiking and orienteering skills. The next day's activity was boating on the Leam, and finally, they had a fantastic day at Drayton Manor!

Courageous Cricket

On Monday, Year 3 and 5 did cricket with 'Chance to Shine' who work at Edgbaston, a professional cricket stadium in Birmingham. The instructors came in to see the children's cricket skills. Usually, the children would compete to be able to actually go and play at Edgbaston, but sadly they can't because of Coronavirus. They will have 6 sessions though and it's a great experience for everyone. You can check out the 'Chance to Shine' website if you would like to know more.

Ice Cream Sale

We will be selling a selection of ice lollies on a Friday after school for the next few weeks. Prices are £1 or under. Please bring loose change. Please also remember to stick to the allocated pick up times for your child's year bubble, and remain socially distanced in the queue.

Cover Clapham Carl

Cover Clapham Carl raised £211.57! Thank you so much to everyone who donated their loose change.

Fantastic art sessions

During this past week, Reception have had a creative art session, painting spectacular portraits in the style of the artist Claude Monet. They had a busy afternoon, producing vibrant garden scenes. It was a successful lesson, with some of the children learning how to paint for their first time. Currently, they are proudly hanging up, drying, getting ready to be fitted into frames which are going to be designed by Reception later on. By CTCN Reporter Shreya

Family Information Service (FIS)

The FIS produce a useful weekly newsletter for families. Click on the link to access it and sign up.
