

# Heads Up

What a difference a week makes! You will be aware that we've now got 2 bubbles out of school—this is hugely disappointing for us all. As cases continue to rise, we need to remain vigilant for the remaining days this term; for information, all our staff do lateral flow tests at least twice a week.

However, the news on Monday about the lifting of bubbles for September provided some optimism. We are looking forward to returning to some form of normality and have planned some exciting activities with enhanced parental engagement for the first few weeks of term.

Despite all of the challenges of the penultimate week, the children have enjoyed meeting their new teacher, albeit for a short while. They have all received their school reports today. Please read the report with your child and let them know you are proud of them; we most definitely are!

Please take the time to read the Gold EAL Quality Mark Report attached with this newsletter. I think you'll agree that that it's a glowing summary of our commitment to EAL children and their learning. Also, hot off the press—we've just heard that we have been reaccredited with our Online Safety Mark!

Fingers crossed that all the children get to experience the last few days in school.

## Marvellous Move up Day

On Wednesday morning, it looked a most bizarre sight - every year group seemed to contain the wrong children, and Year 6 had simply disappeared! The actual reason for this was because it was move up day! All the children had a fantastic morning, spending some time with the teacher they will have in September. It was a really successful session; children participated in activities and discussions, becoming familiar with the expectations of the new year. By CTCN Reporter Shreeya

## Year 1's Awesome Assembly

Over the last few weeks, Year 1 have been practising their play about The Jolly Postman. He meets characters including Jack from Jack and the Beanstalk and Goldilocks from Goldilocks and the Three Bears. Every time he meets a new person to give post to, they offer him a cup of tea and have a chat. It was a great performance and there were loud and clear voices from all the children who were in it.

Freddie and Harlin both quoted, "It was amazing and very entertaining to watch." Year 1 will definitely have to put on performances in future years, as they were excellent! By CTCN reporter Joe Cox

## Fabulous Farm Trip

On Monday, Year 1 went on a trip to Mary Arden's Farm to learn more about Shakespeare. They found out that Mary Arden was Shakespeare's mother and what herbs people used in the olden days to fight off diseases. They looked and stroked some animals and also learnt which plants they grew during those times. They learnt a bit about buying and selling; they sold beeswax candles and bunches of wood. Year 1 also played with Shakespearean toys and did some amazing dancing. They all really loved their day out!

## Special Home Learning

On Monday, you will have received this week's homework. This is your last homework of the year and for Year 6, their last homework at Clapham Terrace as they will be moving up to secondary school. The task is to create a summer outfit; this could include drawing on a t-shirt, decorating a summer hat or pair of glasses. You will be able to wear your outfits on Tuesday 20<sup>th</sup> July at the Summer Fun Day. Your design must NOT be written on a piece of paper as you have to wear your entry. This is a competition so you must do your best especially as they will be judged and prizes will be given out to winners. GOOD LUCK!

## Spectacular Sports Day

Last Thursday, Years 2-6 went to Edmondscote Sports Track in Leamington. We travelled there on a coach and having warmed up, we were ready to run, jump and throw! We threw the discus and the hammer—a new experience for many of us. We did a 800m run, a 400m run and a 70m sprint.
