

We've had a fantastically creative week at school. Ricky, our dance instructor, was here on Monday, working with all the year groups. It was lovely to see Reception getting into the swing of it!

Groups of children from Year 3 and Year 5 have worked with Lynne Gougeon, an artist who has collaborated with us previously on the series of murals in the playground, to produce a large panel painting for the Olympic Room. We are looking forward to seeing the final result next week.

We've had regular updates from Year 6 on our twitter feed. It looks like they are having a wonderful time by the sea and they've experienced an amazing range of activities. No doubt they will sleep very well this weekend after all that exertion!

Next Monday, our Year 5 and Year 6 Wellbeing Ambassadors will be attending their first training session at Sydenham Community Centre. A team of children from Year 5 will also be representing Clapham at a maths challenge at Princethorpe College. Good luck to them!

Our Year 6 Hockey Team will be playing at Warwick School on Friday. It is really exciting to be participating with other schools face-to-face after such a long break. Year 5 will be visiting St Johns Museum in Warwick to take part in a Victorian workshop.

Finally, next Friday is our Harvest Festival at St Mary's Church, led by Year 4. We are hoping that some Year 4 parents may be able to attend—more information will follow next week.

Have a restful weekend!
