

Thank you for all your donations for our Harvest Festival at St Mary's church today. It was lovely to go out into the community again to celebrate, after such a long time. Thank you to Year 4 for a fantastic performance.

A group of Year 5 children went to Princethorpe College on Monday to take part in a county-wide maths challenge. Congratulations to the children involved; they came 7th out of 15 schools.

Please remember to sign up to next half term's extra-curricular clubs using SchoolCloud, even if they are a continuation from this half term. If you are having any difficulties accessing SchoolCloud, please contact the office.

Next week, at drop off on Monday, Tuesday and Wednesday, we are collecting for the HSA costume lending library. We are looking for any spare Nativity costumes that you may have, so that parents in Early Years have the opportunity to borrow them (for a small donation if possible), for this year's Early Years and KS1 Christmas productions.

Entries for the Warwickshire Fire & Rescue Service KS1 and KS2 fire safety calendar competition have been chosen, and will be submitted shortly to the final. Good luck!

Next week is parent's evening and the teachers are excited to be sharing the children's learning and progress with you face to face. Year 6 will be sharing their PGL residential experience in a special assembly for year 6 parents and carers on Wednesday. We have also got our first house athletics competition and our HSA Halloween event.

Please remember that there is a teacher training day on Friday 22nd October.

Year 4 Harvest Assembly

For the Harvest assembly today, Year 4 will be performing a play all about sharing food with less fortunate people, who don't have enough to feed themselves or their families. Thank for all your harvest donations, which will be given to Warwick District Food Bank, helping people in our community. By Vidhi, CTCN Reporter

Pumpkin Carving Home Learning

This week, the home learning task is to carve/decorate a pumpkin. You can draw a pumpkin design in your book or you can buy a pumpkin and carve that. Pumpkins come in all shapes and sizes and we are aiming for a variety, so make sure yours is unique. Next Thursday, the pumpkins will be placed around the playground and lit up ready for our exciting Halloween event! Please bring in your pumpkins on the 21st October. You can be as creative and as intricate as you want! If you are struggling to get a pumpkin to carve, please speak to the office as we do have some spares to distribute. By Emilia, CTCN Reporter

DATES FOR YOUR DIARY

- Tues 19th Oct, 3.30pm-6pm** Parents Evening (face-to-face)
- Wed 20th Oct, 4.30pm-7pm** Parents Evening (face-to-face)

Year 5's Mind-boggling Maths

On Monday 11th October, Year 5 went to Princethorpe College for a maths competition. They participated with lots of other schools across Warwickshire. It was a really enjoyable morning and they came 7th. Well done!

By Suhaan, CTCN Reporter

Year 1's Memorable Music Afternoon

Last Friday afternoon, during their music lesson, Year 1 learned the difference between singing and rapping. Lots of concentration, focus and patience went into learning a rap. They took turns, supported each other and had a great time gaining some new knowledge about the art of rapping. They also used some musical instruments to enhance their rap, including xylophone and maracas.

“Hey, you, what do ya do?”, was their main catch line. The rest of the school and I look forward to listening to any new raps they come up with. Rock out everybody, and have a good week!
