

Clapham Terrace Primary and Nursery School: Long Term Overview 2022-2023

Purposeful Projects:

Our menu of Projects enables us to have an overall clear ‘big picture’ of what we will teach, alongside offering an opportunity for our children to be involved in the development and direction of their learning as it unfolds.

Our projects

- offer real purposes for learning and often culminate in an exciting event or celebration
- offer rich opportunities for children to achieve our Curriculum Intent, our Key Outcomes, Educational Programmes and ELGs
- have the potential to develop learning in all seven Areas of Learning, within each project and definitely over time through the Characteristics of Effective Learning
- reassure us that we can achieve a broad and balanced curriculum offer over the year

Curriculum Intent – key statements

- **confident to explore the environment and learn independently**
- **resilient learners**
- **ability to work with others; children work in different groups**
- **extend relationships**
- **language and communication**
- **develop physical skills**
- **awareness of the local community and their place within it**
- **having opportunities to get messy**
- **take calculated risks**

Key Outcomes

- *I am an independent, curious and persistent learner*
- *I am physically active*
- *I am part of my community*
- *I can communicate and work with others with confidence*
