

Heads Up

What a week of weather we've had - sunshine, rain, hail, wind - we've had it all! Where possible the children do go outside to play whatever the weather (unless it's very wet) during break and lunchtime, so do make sure they have a coat and, where appropriate, hat and gloves.

We have also noticed a number of children don't have PE kits in school. Please can we remind everyone that the children must have a PE bag, which should remain in school, with:

- Black or navy PE shorts (required for gymnastics)
- White t-shirt
- PE pumps or trainers
- Jogging bottoms and a sweatshirt for the winter months

Please do make sure that all items are named to avoid them going missing or getting mixed up!

Next week, on Wednesday, we are excited to be holding another whole school Global Goals Day. This is a fabulous opportunity to celebrate our diverse community and was a highlight of last year. Throughout the day, children will take part in a range of workshops and activities which share different cultures and traditions from within our community. The children are invited to wear clothing which represents their own culture, heritage or one that is important to them. This is always lovely to see and we're excited to see what the children choose to wear. Please remember that this is entirely optional and definitely shouldn't cost you any money.

Following on from this week's fantastic sharing assembly year 1 will be holding an open session next Friday morning. This is an opportunity to join your child's class and see what they've been working on. Check out the dates for upcoming open sessions for all year groups.

On Thursday this week our Young Voices Choir performed at the NEC. As expected it was an absolutely incredible evening and we couldn't be prouder of our children. A huge congratulations to all of them and a big thank you to Mr Filby for all his hard work with the choir in the run up to the event. We look forward to sharing photos next week.

Have a lovely weekend.

REMINDERS AND INFORMATION

SCHOOL COMMUNICATIONS

Please be aware that if you have the app messages which be received via the app and not via your normal text app.

Please ensure you have your notifications turned on for teachers & parents to avoid missing any texts.

SESAME AND NUT FREE SCHOOL

Please can we remind everyone that we have a number of children with severe allergies and that **we are a sesame and nut free school.**

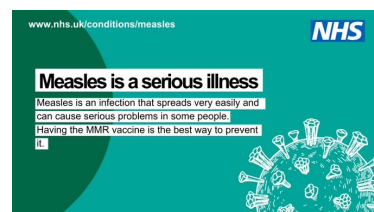

Please be conscious of what you are including in your child's lunch box. Any items which contain nuts or sesame, including sushi, will have be confiscated and your child will not be allowed to eat them.

MEASELES

Measle cases in the West Midlands remain on the increase.

Symptoms to look out for include:

- a high temperature
- a runny or blocked nose
- sneezing
- a cough
- red, sore, watery eyes

A rash usually appears a few days after the cold-like symptoms, starting on the face and behind the ears before spreading to the rest of the body. The spots of the measles rash are sometimes raised and join together to form blotchy patches. They're not usually itchy.

It's very unlikely to be measles if you've had both doses of the MMR vaccine or you've had measles before and we would encourage all parents/carers to ensure their child has had both doses of the vaccine.

COMMANDO JOE LESSONS FOR THE WHOLE SCHOOL

Throughout the week, different classes went on their first missions for Commando Joes. In reception, they picked up small coloured balls but, with a bit of imagination, they are actually flowers. In Year 1, and 2, the pupils tried to become the queen's guards. In Year 3 and 4 they made and designed assault courses to improve their fitness. In Year 5 and 6, they helped to save baby gorillas on buckets using bamboo stick from a distance. Here are some quotes: *"I really liked it,"* Jules, reception. *"I enjoyed it: it was fun,"* Alfie, Year 1. *"It was really amazing!"* Bronwyn, Year 4. *"I liked the bamboo sticks."* Hyde, Year 6 and *"It was wonderful to observe and hear team members supporting each other...loudly!"* Mrs Clarke, reception teacher. Over all it was a fun experience for everyone.

YEAR 1 SENSORY WALK

On Monday 22nd January, year 1 went on a sensory walk around our school as part of their science topic, all about the human body. The children were keen and eager to get started and used their enthusiasm in their learning. They did fun activities outside and inside our school. They brought with them a clipboard, pencil and a checklist. They really enjoyed the walk and learned about 5 senses in a fun way.

An upcoming event in year 1 is their class assembly on Wednesday 24th January, containing fun songs, educating the school and showing off their fabulous learning so far this year.

PREPARING FOR YEAR 3 GYMNASTICS COMPETITION

In Year 3, they have been preparing for a very exciting gymnastics competition. Some budding gymnasts will be chosen later this half-term to participate, but for now, they are all practicing and putting their incredible skills to the test during PE lessons. On the 5th of February, 10-12 extremely excited and fantastic gymnasts will be selected to contribute in this year's LWGC (Leamington and Warwick Gymnastics Club) gymnastics competition. Not too much more is known except that all the Year 3s are definitely very enthusiastic and eager to be selected. Year 3 Teacher Mrs Hallam said *"They are working very hard and even practicing at home, all learning the moves with great enthusiasm!"*

YEAR 4 JOB ADVERT

In year 4 we have been writing a job advertisement. We were attempting to hire a fearless warrior to kill the mighty monster, Grendel to save the kingdom. We used adverbials, similes, persuasive language and attention – grabbing headlines.

Here is a snippet of Hugo's work:

Do you have gigantic muscles? Are you fit? Well then...you're perfect for this job.

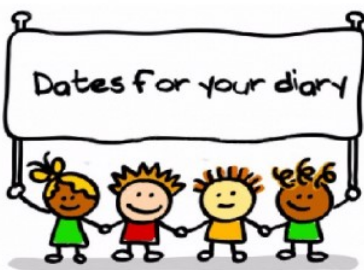

YEAR 5 LEARN BRASS INSTRUMENTS

Every Monday afternoon, Year 5 are learning how to play the cornet, trumpet or euphonium with a visiting music teacher. On the first week, every student had the choice of playing either a cornet or a trumpet based on what they thought would suit them best, and two selected pupils were given the choice of playing the euphonium. When the instruments had been chosen, everyone made their way into the music room to collect their instrument. For the rest of the lesson we focused on making a sound from the mouthpiece. We also learnt about the differences between each instrument. The cornet and trumpet sound very similar, but cornets tend to make a sweeter sound as the curves are wider and euphoniums are noticeably lower and much bigger. On our second lesson we began learning how to play the notes C, G and D. Everyone really enjoys the lessons and has an incredibly fun time. Here is a quote from Miss Alder: *"I really enjoyed playing the cornet but it was much harder than I expected. However, I persisted and had an excellent time!"*

These groups are a guideline and parents may select groups according to ability, size, brothers/sisters etc..

Dear Parents,

I am delighted to inform you that following the success of last terms course we are expanding the football coaching programme for the season. The new course will start on **Thursday 18th January** and run on a **weekly basis** for the duration of the school term (10-14 weeks).

All of our courses are run by **FA. Qualified** and **DBS (CRB) Police Checked** coaches. The course is open to both **Boys and Girls** aged between 4 and 12. All abilities are catered for with total beginners introduced through **FUN** and confidence building practices. The course is tightly structured to ensure all aspects of football skills are developed.

At the end of the course **every child** will receive an engraved merit **Trophy** and course **Certificate**, with chances to win extra trophies including Penalty Shoot out, American Shoot out and Champions League Competitions.

The cost of the course is £28 for 4 weeks (£7.00 per week), which covers the costs of all coaching, trophies and certificates. Payment is made every 4 weeks with the first payment due on week 1. Parents are welcome to stay and watch however the club is fully supervised so children may be left in our care. We have full use of the **FANTASTIC FACILITIES** including a large **Indoor sports hall** so trainers may be worn as the sessions will be held **INDOORS**.

Parent/Carer Tips:

Supporting your child with positive friendships

It can be difficult to see your young person struggling with friendships and to know how to support them.

Top tips for speaking with your child about friendships:

- Be available to listen
- Avoid making assumptions or placing blame
- Don't diminish how they are feeling
- Try not to rush to solutions

It can be useful to discuss with your child what a positive friendship looks like:

- Being able to be yourself with someone and have fun
- Being able to trust someone and be honest with each other
- Respecting each others boundaries
- Listening to each other and being kind

A guide to supporting young people with their friendships
