

# Heads Up

What a brilliant week it's been. Global Goals Day has to be a highlight. A fantastic demonstration of our diverse community. It was wonderful to see the children enjoying all the different workshops, so engaged and celebrating both their own culture and their class mates'. Everyone looked fantastic in their traditional dress, both children and staff!

A huge thank you to all our parent volunteers who hosted workshops and shared their culture and traditions with the children. A visit from Captain Dan Johnson, our Chair of Governors created great interest and added value to our day. This morning Year 1 have had a fantastic open session looking at how we teach spelling - the children are all excited to start learning new words and it was lovely to see so many parents and carers.

Next Tuesday it is Safer Internet Day and we will be running a parent workshop in the morning to look at how we can help keep our children safe in an ever changing online world.

On Wednesday we are holding our next house event so children should come to school in house colours. Select children from year 3 are off to represent Clapham Terrace at the South Warwickshire Gymnastics finals. I'm sure you'll join with us in wishing them all the best of luck - we know they'll do brilliantly.

On Thursday we're holding our first Clapham Terrace Kid's Disco. This is a result of a request by JLT for a kid's only event. Please can we therefore ask that parents do not stay with children, there will be plenty of staff on hand to look after them. The children are all very excited and we're looking forward to seeing some epic dance moves! Tickets are available on the door if you haven't pre-booked which can be done on School Money, by the end of today. Our reception children will be having a movie night on the same day. Both events include a snack bag, but children should bring water bottles.

Finally, on Friday our Early Years will be holding an open session with parents and carers and taking part in a very exciting pancake house race! Watch this space for our house winners!

Lost property will be outside on the playground Wednesday, Thursday and Friday next week.

Have a lovely weekend as always and we look forward to a busy last week before half term!

## REMINDERS AND INFORMATION

### SESAME AND NUT FREE SCHOOL

Please can we remind everyone that we have a number of children with severe allergies and that **we are a sesame and nut free school.**

Please be conscious of what you are including in your child's lunch box. Any items which contain nuts or sesame, including sushi, will have be confiscated and your child will not be allowed to eat them.

Thank you for your support with this.

### TEACHER TRAINING DAYS

Unlike in previous years the school will be having a teacher training day on **Friday 24th May** - before the May Half Term rather than after.

Please be mindful when booking holidays that children should be in school on Monday 3rd June.

### MORNING DROP OFF

Please ensure that when you drop off your child in the morning you do so in the playground or at the door for KS1. There is always a member of staff on the door to welcome your child and take any messages.

We would ask that parents/carers do not come in to school with their children as this can unsettle the children and causes disturbances. Classes begin immediately after registration and we find that children settle better and are ready to learn when they have got into the routine of entering school by themselves and putting away their belongings in the relevant places.

Please be assured that children who are upset at drop off do settle very quickly as soon as you've gone, and if there are any issues, or your child remains upset, we will of course contact you.

Thank you for your understanding.

## YOUNG VOICES

On Thursday 25th January, the Clapham Young Voices choir travelled to Resorts World in Birmingham to take part in the annual Young Voices concert. It is an astounding experience consisting of a variety of many different songs, awe-inspiring dances performed by Urban Strides (the UK's leading street dance company) and many famous visitors such as Natalie Williams (an incredible jazz singer), Nandi Bushal (a brilliant thirteen-year-old musician) and M.C Grammar (an excellent rapper). We arrived at the arena at two o'clock and found our seats before we began practicing for three hours. At five o'clock we stopped for our delicious dinners before the concert began at seven o'clock. Everyone was incredibly excited and we were at the edge of our seats with anticipation. We welcomed the parents in with our bright blue banner and eager faces, chanting Clapham Terrace at the top of our voices. Soon, our conductor, David Laurence, signalled for us to be quiet, and the show began. We performed many songs such as The Moment, In the Mood, Get on Board, Matilda Medley, Moana Mash Up and Arirang. Here is a quote from Hanna, *"It was a very enjoyable experience and I particularly liked all the different guest stars. My favourite was Nandi Bushal, the thirteen-year-old musician."*

By CTCN reporters Clara and Madeleine

## YEAR 1 CLASS ASSEMBLY

On Friday the 26th January Year 1 performed a class assembly to their parents and carers, and to the rest of the school. They presented some of the things they have learnt so far - like bones, monster phonics and a book they were reading. They also did some songs and rhymes including a skeleton dance, a monster phonics song, and a sailor went to sea. Parents their children with pride and cheerfulness. All the year 1s did brilliantly and Year 1 Teacher Mrs Ashcroft said: *"we are all really impressed with the children."*

By CTCN reporters Izzy and Carolina

## HEALTHY BREAD-BASED COOKING FOR YEAR 3

On Friday afternoons, Year 3 have fun in their Design and Technology lessons. This term their DT project is cooking. The class splits up into two groups, the first group stays inside to learn about the many different food groups and what foods are healthy and what foods are not. The second group does the most exciting bit. They cook in Carl's Kitchen. The focus for their cooking topic is bread-based. So far, they have done: making a bread roll and choose healthy toppings for a pizza with one from each main food group. This week, they will cook a bread loaf of their choice. *"I was very impressed both by the healthy choices that the children made and their baking skills. We would also like to thank the parent volunteers who came to help the children."* Ms Hallam.

By CTCN reporter Finlay

## PAINTING PRETTY STONES!

On Monday the 29th January the Clapham Terrace Gardeners and Ice Committee worked together to paint intricate designs on stones. Some of the interesting designs included: mini-beasts, plants, and the astonishing blue sky and clouds. The point of this incredibly fun event was to revive the nature area and make it more spectacular. This amazing activity is going to benefit the nature and the students. The scenery will be impeccable. This super creative activity took place in the Clapham Terrace Nature Area. A quote from Mrs Goddard is *"The painting was amazing. I'm looking forward to putting them back on the path."* They all really enjoyed this and can't wait to see the finishing project.

By Emma-Leigh and Elliot G CTCN Reporters.

## Y4 POTTERY

In Year 4 they have been learning about Clarice Cliff, a famous artist that lived in Stoke on Trent. She did bizarre, abstract paintings. Y4 have been given the task to create a pottery plate out of clay and paint it in the style of Clarice Cliff. They are doing their art in the mess. Y4 will be working on this project throughout this half term. The class are eager to complete this project and have many ideas for when they paint next week. They are doing this to learn more information about unique artists and discover more styles. A quote from Miss Hall, the Y4 class teacher states, *"All of the plates that have been made so far look fantastic and I can't wait to see them when they are painted!"* Antonia, a year 4 student said: *"Learning how to mould the plates was really fun and I can't wait to paint next week."*

Dear Parents,

I am delighted to inform you that following the success of last terms course we are expanding the football coaching programme for the season. The new course will start on **Thursday 18th January** and run on a **weekly basis** for the duration of the school term (10-14 weeks).

All of our courses are run by **FA. Qualified** and **DBS (CRB) Police Checked** coaches. The course is open to both **Boys and Girls** aged between 4 and 12. All abilities are catered for with total beginners introduced through **FUN** and confidence building practices. The course is tightly structured to ensure all aspects of football skills are developed.

At the end of the course **every child** will receive an engraved merit **Trophy** and course **Certificate**, with chances to win extra trophies including Penalty Shoot out, American Shoot out and Champions League Competitions.

The cost of the course is £28 for 4 weeks (£7.00 per week), which covers the costs of all coaching, trophies and certificates. Payment is made every 4 weeks with the first payment due on week 1. Parents are welcome to stay and watch however the club is fully supervised so children may be left in our care. We have full use of the **FANTASTIC FACILITIES** including a large **Indoor sports hall** so trainers may be worn as the sessions will be held **INDOORS**.

## Parent/Carer Tips:

### Supporting your child with positive friendships

It can be difficult to see your young person struggling with friendships and to know how to support them.

#### Top tips for speaking with your child about friendships:

- Be available to listen
- Avoid making assumptions or placing blame
- Don't diminish how they are feeling
- Try not to rush to solutions

It can be useful to discuss with your child what a positive friendship looks like:

- Being able to be yourself with someone and have fun
- Being able to trust someone and be honest with each other
- Respecting each others boundaries
- Listening to each other and being kind
