

Heads Up

It has been another superb week at Clapham, we start by saying congratulations to two of our staff firstly, to Mrs Batchelor who has been involved in writing the units for the new agreed syllabus for Religious Education in Coventry and Warwickshire which will endeavour to bring a new world focus to the teaching of RE. It is fantastic to see our teacher's knowledge and expertise being valued across the County.

Well done too to our Mrs Ashcroft, she has become an accredited Trained Early Career Mentor for the Department of Education.

Department
for Education

Darrell Wakelam's collaborative enrichment art is now up on display in CARL's Kitchen.

The artwork each class produced with Mr Brettell, our Governor, has been added to the collections on our playground this week. Please take a look during drop off and collection. Please also take a look at our school X page <https://twitter.com/ClaphamTerrace1> for all this week's photographs and videos. There has been allsorts going on from cooking to computing, from outdoor structure building to story writing, from maths to monsters in phonics!

It's that exciting time in our school calendar when we are looking forward to holding our Talent Show auditions which will commence on Friday 17th May 2024. The excitement and anticipation the children feel about their auditions creates such a buzz across the school and predictions about who our celebrity judges will be leads to fun discussions between staff and pupils.

Sponsorship forms and sponsors are coming in which we are so pleased to receive for our annual Clapham Fund Run also taking place on the 17th May. If you do require more sponsorship forms then do come into the office, we will be happy to hand these out to you.

Friday ice creams whatever the weather are being sold today. Please remember you £1 and enjoy a treat.

We wish all our Clapham Community a wonderful weekend.

REMINDERS AND INFORMATION

SESAME AND NUT FREE SCHOOL

Please can we remind everyone that we have a number of children with severe allergies and that **we are a sesame and nut free school.**

Please be conscious of what you are including in your child's lunch box. Any items which contain nuts or sesame, including sushi, will have be confiscated and your child will not be allowed to eat them.

Thank you for your support with this.

SCHOOL DINNERS

Please see the next page for the new Dinner Menu for next week

School meals are £2.65 a day, £13.25 a week.

This cost increase is implemented by Educaterers, who provide our school meals, and reflects the increases to food and staff wages.

MEDICATION

We are only able to administer prescribed medication to children during the school day.

If your child has been prescribed medication it must come through the office and a form must be completed -the office will be happy to help.

Y5 BASKETBALL SUCCESS

On Wednesday 17th April, eight Year 5 students participated in a Basketball tournament at Morton Morrel College, competing against four other schools including the hosts: Warwick Hawks, to compete, learn new skills and have fun. They took part in a series of ten minute matches including a short break after the first 2 two games, winning each match. After they had competed against each participating school, each team received their scores. Having gained the highest amount of points and winning each match they had played so far, they then competed in the final against St. Pauls, in which they won. Everyone is extremely pleased with their achievements and proud to bring home the win for Clapham! Here is a quote from a Year 5 student who competed in the tournament: "I thoroughly enjoyed competing in the tournament and I am extremely glad that we could take back the win! It was great fun and I hope that we can do it again one day."

By Eloise and Madeleine CTCN Reporters

MARVELLOUS MINI-BEASTS

On Monday 15th April, Early Years had a trip in their classroom to learn about mini-beasts. Reception pupils were busy investigating in our school. There were different stations and each one had something new. They had lots of fun exploring and discovering new creatures linked to their new topic. They loved it and had an amazing time learning. BY CTCNS reporters, Carolina and Ali

THE RIVETING RE-ENACTMENT OF THE ROMAN INVASION OF BRITAIN

As part of their new history topic launch, the children in Year 3 created a re-enactment of the Roman Invasion of Britain. As part of the story, the pupils dressed up as the two different sides of the invasion: the Romans and the Celts. They did this in the big hall in their re-enactment clothes and battled it out (only fake punches and swipes with a sword). Mrs Hallam remarked, "I was really impressed with the acting skills the Year 3's had and the amazing enthusiasm playing the roles of the raging Romans and the crazy Celts," Overall it sounded really fun to re-enact the battle. Written by CTCN reporter Finlay and Gabriel

YEAR 5 DEBATE TRIP

On Thursday 18th April, Year 5 visited Kingsley School for an Oracy Day. They went to debate with other Year 5s from other schools to try and improve their debating skills to become better at trying to be activists. One of the people who went said, "It was fun and lovely and we also learnt many new things such as PEEL. Peel stands for; P: point E: explanation E: evidence L: link."

By CTCN reporters: Advait and Elliot G

Y5 AND 6 DAZZLING DEBATE

On 16th April, Year 5 and 6 had a debate in the school main hall over whether 'Under 12s should have their own smartphone?' There were two arguments: for and against. Guest judges came in to make the decision over the different sides and listen to all the amazing points that were made by the debating children. The Year 5s and 6s had been preparing for this argument over a few days and the Year 5's used their oracy skills following their visit to Kingsley School. Both years wrote a balanced argument over the issue in their books. To conclude, the debate was very thought-provoking for both the Year 5s and 6s. By Hanna and Izzy

Alternative Parents Evening is back!

Friday 28th June 2024

@ the MiniPug Leamington more details to follow

Events that support our fund raising

Friday 9th May—Rag Bag Collection

MHST
Mental Health in Schools Team
Tips For Wellness

Being mindful and taking notice

As humans, we experience a range of different emotions daily. Sometimes when we experience emotions that are more difficult, it can be hard to manage.

Taking notice of our emotions and feelings can help us to understand our feelings and manage them in a more helpful way. One way to take notice is not to focus on the future or past, but pay attention to the present moment you are in.

Mindfulness is a way to practice how to take notice of where we are and what we are doing. Mindfulness can help us take notice of our thoughts and feelings whilst staying in the present moment.

Our tips for being mindful and taking notice:

- Try the **5-4-3-2-1** mindfulness activity by following the QR code: 
- **Music and listening** - try listening to your favourite song or relaxing sound and take notice of what is happening in your body and feelings. How do you feel after listening to music or a relaxing sound? Do you feel different to how you felt before?
- Taking notice of the **positives**. Write down 3 things that were positive about your day, no matter how big or small!
- Have a go at rainbow relaxation mindfulness: 
- 3-minute body scanning: 

#ThanksKids recognises the efforts and kindness of children and young people, and thanks them with personalised #NHSStars certificates. If you know a child or young person that deserves recognition for going above and beyond, don't wait, nominate! thankskids@covworkpt.nhs.uk.

MHST are available to support you and your school throughout the school year including term time and school holidays.
Please contact your school's Mental Health Lead for information and advice.
