Our fundraising this term...

We've had some very successful events this term which have not only been enjoyed by the children and/or adults, but, thanks to your kind donations and generosity, have raised lots of money for the HSA.

Event	Amount Raised
Movie Night	£400+
Quiz Night	c£900
Easter egg Bingo	c£280

What we've supported this term...

- * For our RRS gold celebration, the school welcomed a travelling theatre to perform for all of the children, followed by squash and biscuits.
- * Reception through to Year 3 worked with Ricky Dance to learn and perform dances for the school, parents and carers.
- * 3D murals with Darrell, and Watercolour and Pen art with Andy Brettell.
- * Carl's Kitchen has been restocked with new equipment including pans, baking sheets, utensils, scales and knives to name but a few. We have also paid for a washing machine which will be installed in the school's main kitchen. To celebrate this refurbishment of Carl's Kitchen the HSA have agreed to cover the cost of ingredients for cooking lessons and bake off from September. This will be a huge support and mean parents will no longer need to pay for cooking lessons!
- * Class Trips and activities including the Year 3 and 4 trip to Think Tank in Birmingham, and the year 1 and 2 First Aid Workshop. In the Summer Term we will be supporting the cost of Reception's trip to Hatton, Year 1 and 2's trip to Twycross, Year 5's science day and Year 6's trip to Drayton Manor.

Our next HSA meeting will be on the 8th May where we will be making further decisions on what to spend HSA funds on. If you'd like your voice to be heard and have opinions on what we should be supporting, please do join us. We are a lovely, friendly bunch and would love to see some new faces.

Thank you for all your continued support and donations which is hugely appreciated and ensure our children benefit from such a wide variety of enrichment opportunities.
