

World Book Day

World Book Day 2017

At Clapham, celebrating books is one of our great passions. Our reading percentages have risen to over 90% as everyone enjoys reading and values how important it is.

On World Book Day this year everyone enjoyed dressing up as book characters and we all enjoyed our house quiz .

A local author Mrs Janet Roberts delivered an assembly at the end of the day. Her books are based around her dog Chico Chugg who lives on a narrow boat. Year 1 have been reading her books, and it has now been made into a TV series.
